Everything DiSC® Testimonials – Corning, NY

“My administrative team (26 people) recently completed Andy’s Everything DiSC training. It was a home run! We learned about our different behavioral styles and then a variety of strategies to use immediately to help us work more effectively together. It was a real eye opener for all of us and extremely valuable! I strongly recommend it!” Michael Ginalski, Superintendent Corning-Painted Post School District, Corning, NY

“Andy conducted a DiSC training in Shanghai for our China-region finance leaders. The feedback was great, and the workshop added real value! Andy is not only passionate about what he does but cares deeply about helping leaders become much more effective in what they do. A+ workshop!” Jim Michaelson, Director of Finance Corning International, Corning, Inc.

“Andy’s DiSC trainings has been invaluable for our leadership teams! In fact, DiSC is now part of our culture and all of our employees use their DiSC training to work more effectively with everyone in our organization!” Dan Bower, President, Hunt Engineers, Architects & Land Surveyors, P.C.

“Andy’s DiSC training was great! I learned so much about myself, my team members and also how to be a more effective leader.” Kelly Copp, Co-Owner, Carpenter’s and Phillips Funeral Homes

“If you need to understand and be more effective with people, sign up for Andy’s Everything DiSC training. And...do it today!” Michael Reese, President, Express Employment
