

2019 – Leadership Boot Camp Offerings

- **What's Your Leadership Style?** Participants learn their unique behavioral style and how it influences how they lead. Discover how small changes in how you engage others can lead to large results! Introducing Everything DiSC©
- **Emotional Intelligence and High-Performance Leadership:** 90% of all top performers are also high in Emotional Intelligence (EI). Learn the EI model and four things great leaders do to get results that struggling leaders just don't understand.
- **Managing for Employee Engagement:** Three simple yet profound concepts to significantly engage, motivate and retain employees. Based on the NYT bestseller, *The Three Signs of a Miserable Job* by Patrick Lencioni.
- **Time & Life Management for Leaders:** Discover how Eating Frogs, Italian Peapods and Covey's Quadrants created radical breakthroughs in time & life management. Learn how to finally have work and life balance. Yes, it's possible!
- **Leadership and Strategic Planning:** Participants learn and practice a powerful five step Strategic Planning template that develops clarity, focus, execution, accountability and results! Developed by NYT bestselling author Brian Tracy.
- **Crucial Conversations©:** Great leaders don't ignore crucial conversations. They face them head on! Participants are introduced to a proven four step protocol used world-wide that get results and improve relationships. Yes, you can do both!
- **Reducing Generational Conflict at Work:** If managers can accept and understand the reality of generational differences, they can avoid the costs caused by common misunderstandings!
- **Executive Decision Making:** Why do smart leaders make dumb decisions? Introducing the Psychology of Decision Making. Participants learn and practice a four-step process that can dramatically improve your ability to make the "right" call!
- **How to Build Truly Cohesive Teams:** Developed by NYT best-selling author Patrick Lencioni, the Five Behaviors of a Cohesive Team Model© helps leaders understand what it takes to build truly high-performing teams that focus on results instead of drama.
- **How to Get Radical Team Execution for Critical Goals:** How does a leader get teams to radically buy into high value organizational goals? Introducing the *Four Disciplines of Execution*, a true breakthrough in team execution! Based on the NYT bestselling book *The Four Disciplines of Execution* by Franklin-Covey.

Andy Taylor, MCC
Workshop
Facilitator
Executive &
Leadership Coach

Important Workshop Information

- Workshops are two hours, skill-based, hands-on, experiential and fun! Participants learn a key tool or concept, practice it, and then apply it in their own work setting. Progress is reviewed throughout the trainings.

Andy Taylor is, without a doubt, one of the finest leadership facilitators this area has to offer! His workshops are relevant, add enormous value and are critical to our self-growth as leaders." Denise Ackley, CEO, Corning Area Chamber of Commerce
